TO BE THE BEST I CAN BE

Welcome back. Week one down.

We do hope everyone had a restful break and enjoyed the June holidays together with family. This semester promises to be another wonderful one in terms of learning opportunities and experiences for our students. We have school camps, school athletics, school concerts, visitors from the Waste pioneers group, surfing, graduation and so much more. As we commence our second semester I welcome our families to participate in the range of opportunities that the school provides. These include the All Aboard Committee, classroom helpers, volunteering and attendance at school council meetings. All of these opportunities are a chance to help students learn both socially and academically while experiencing the rewards that come with volunteering.

Parent Community Engagement: Teacher communication

This week we welcome Shari from DSE music who will be teaching musical instruments to those students who have signed up for this extra curricula activity. Shari is also available to teach music after school on a Wednesday. If anyone wants further information do not hesitate to contact the office.

The 2019 Parent Opinion Survey will be available for parents to complete online from 22nd July to 11th August, 2018. All Department of Education and Training Victorian schools are required to participate in the survey, which contributes to parent engagement and assists with school planning and improvement. The survey seeks parent opinion on measures of school climate, student engagement, and effective teaching practice known to influence student engagement and student outcomes. The recommended sample is 30 per cent, or up to 80 parents, per school - whichever is the greater number. We would love to have a high survey return rate.

School Ethos and Environment: Physical Environment

The new additions to our playground have been very popular. The students have loved playing in our little village. Please come and have a look at our little café, train station, post office and shop. The school grounds look lovely and we are so lucky to live in a beautiful safe place where everyone looks after our school.

Friday 26th July we will have assembly at 2:50pm.

Have a lovely weekend

Emma Slater
Principal
