We would love families to help donate towards the event to help make it successful. Donations can come in any day. I will collect and sort them out ready for the fair. Students will learn a tremendous amount about organizing, planning, cooperation and money handling. The students are running this event to help fundraise towards new Sport Uniforms including Netball Dresses, Soccer tops and general sport tops for students to wear when we represent our school against other schools.

We appreciate your help and donations. If there are any parents who can help on the day please let me know.
